DEDUCTIBLE

Dear Patient/Clients,

It's that time of year again! Insurance policy will renew, and your deductible dues will also start. Each time you visit your healthcare provider for a treatment e.i massage therapy, you will be responsible for entire amount. Once you met your deductible, your insurance will start paying your visits again and you will only be responsible for the co-pay.

If you have any questions, feel free to contact me or your insurance. I am looking forward to seeing you. HAVE A BLESSED NEW YEAR!

Thank you,

Narilyn Baylon

ONLINE BOOKING

It is important to obtain secure and fair booking practice to protect consumers as well as the business. Our booking system wanted to hold client accountable by inputting their credit card on file. Why so? It protects our therapist from spending their precious time coming to work and preparing the treatment room for you. You must consider, some therapist lives as far as North Seattle, we do not want them to drive all the way down South to find out their client/customer did not show up. If you think you can't make it, please, please call 253-630-6614, email info@bodyworksmc.com or text us 253-630-6614 **24 hours** ahead of time. If it is an emergency, 2 hours' notice is required! We are only a click away! Our contact communication system is highly updated, and you can even text to the same number.

Please know, your CC is very secure, and we won't be able to see it! Your CC only works for charging no-show or cancellation without notice.

We ask that you understand our rules and we most certainly appreciate you for choosing us. Should you have any questions, please don't hesitate to contact us!

Thank you,
